

Countries and people

Name: Class: Date due:

Choose activities totalling at least 10 points from the selection below. Circle your choices on this sheet. Attach the results (and printouts of online activities) to this sheet and pass it to your teacher by the due date.

1. Answer Challenge questions • Answer all Challenge questions from Countries and People – page 21 of the *Atlas of Discovery*. **Three points**

2. Answer Challenge questions • Answer all Challenge questions from Population – page 69 of the *Atlas of Discovery*. **Three points**

3. Play Jigzone • Go to the Jigzone World site (www.jaconline.com.au/jigzone/) and play the game. Print out your results sheet and attach it to this one. **Three points**

4. Complete a crossword • Download the World Crossword worksheet (www.jaconline.com.au/atlasofdiscovery/links/learningcentres.html) and follow the instructions to complete a world crossword. You will need the *Atlas of Discovery* to complete the crossword. **Five points**

5. Draw a population pyramid • Download the Draw a Population Pyramid worksheet (www.jaconline.com.au/atlasofdiscovery/links/learningcentres.html) and follow the instructions to complete your own population pyramid. **Five points**

6. Create a choropleth map • Download a world map outline (www.jaconline.com.au/atlasofdiscovery/links/mapmasters.html) and turn to the statistics on pages 166–173 of the *Atlas of Discovery* to create a choropleth map that clearly shows the world pattern of population. Use four graded colours from the same colour group to show the pattern. For example, dark brown (most), mid-brown, light brown, yellow (least). A suggested key for population might be:

| | |
|-------------------------------------|----------------------------------|
| Over 1 000 000 000 people | 25 000 000 to 100 000 000 people |
| 100 000 000 to 1 000 000 000 people | Under 25 000 000 people. |

Six points

7. Design a board game • Create your own World Trivia board game using questions you create from the *Atlas of Discovery*. **Seven points**

8. Make a poster • Undertake research and prepare your own visual display about one of the countries of the world. Be sure to include the following:

- map containing key cities and geographical features
- statistics on key information such as population (see *Atlas of Discovery* statistics)
- information about the country's resources
- information about indigenous people and different cultures and languages
- examples of cultural events, food and dress
- examples of amazing places found in the country.

Seven points
