## Local area survey

Take a walk around the streets near your school to look at the houses.

1. Draw up a table using the example below as a model. Fill it in as you walk, according to your rating of each individual house.

Street	House number	Building material	Condition of the garden	Carport or garage	Do you like this house?	Main reasons
Jackson	2	Fibro cement	Well kept/native garden	No	No	Old style/colour
Jackson	4	Weatherboard	Poor/leaves everywhere	Garage	No	Unkept/needs paint
Jackson	6	Brick	Good/many different flowers	Carport	Yes	Modern style/clean

2. What were your main reasons for *liking* houses?
