

DATELINE: 25 March – 13 August 2004. Between these dates, the Olympic Torch will be carried through 27 countries of the world, starting and finishing in Greece, the host nation for the 28th Olympiad. Its first visit outside Greece, as tradition dictates, is Australia, where the 27th Olympiad was held in 2000.

1. Using a blank outline map of the world and the *Countries of the world* map on pages 22-23 of the *Jacaranda Atlas Fifth Edition*, locate and label all the countries and cities visited by the torch on its way back to Greece for the opening ceremony on 13 August, 2004. (You may like to use your own hand-drawn torch symbol at each location.)
