jacaranda jaconline.com.au Primary ATLAS

WORKSHEET 5.4

Natural environments

1 Refer to the inside cover of the *Jacaranda Primary Atlas Second Edition*. Definitions of a wide range of the Earth's natural features and a few built features are provided on these pages. List the 42 words under the appropriate headings below.

Mountain features	River features	Desert features	Coastal features	
.....	.....	.....	.....	.....
.....	.....	.....	.....	.....
.....	.....	.....	.....	.....
.....	.....	.....	.....	.....
.....	.....	.....	.....	.....
.....	.....	.....	.....	.....
.....	.....	.....	.....	.....
.....	.....	.....	.....	.....
.....	.....	.....	.....	.....
.....	.....	.....	.....	.....
.....	.....	.....	.....	.....
.....	.....	.....	.....	.....
.....	.....	.....	.....	.....
.....	.....	.....	.....	.....

2 Many of the features you listed above are similar to other features. Refer to the definitions on the inside front cover of the atlas to explain the link between the following features.

a Iceberg and glacier .....

.....

b Valley and river .....

.....

c Atoll and lagoon .....

.....

3 Name the two built features illustrated on the inside front cover of the atlas.

.....

.....
