Primary ATLAS

WORKSHEET 8.1

Natural hazards

1 Refer to pages 45, 81, 91, 101, 107 and 113 of the *Jacaranda Primary Atlas Second Edition*. List the natural hazards shown on these pages.

.....

.....

.....

2 Read the information about these natural hazards and list the hazards under the headings in the table.

Hazards caused by earth movements	***Hazards caused by weather***

3 Rank the 10 hazards listed in your table from 1 (for the most dangerous) to 10 (for the least dangerous). Think of reasons to support your ranking and compare your ranking with the ranking of others.

Most dangerous

1 .....
2 .....
3 .....
4 .....
5 .....
6 .....
7 .....
8 .....
9 .....
10 .....

Least dangerous
