

# Australia's tourist centres

Tourism is Australia's largest industry. Australia has many unique natural attractions such as the Great Barrier Reef and Uluru. Tourists are also interested in cultural attractions such as the Sydney Opera House and the Australian War Memorial.

Refer to page 43 of the *Jacaranda Primary Atlas Second Edition*.

**a** List the four tourist attractions visited by over one million people every year.

.....  
 .....

**b** Which two State capitals attract the most tourists?

.....

**c** Gold Coast is a tourist city. What do you believe are the main attractions for visitors?

.....  
 .....  
 .....

**d** Imagine you live in a town or city close to one of the tourist centres shown on the map. In the space below, design a souvenir to sell to tourists. The design should highlight the main attraction of the tourist centre.
